Dear Elaine:

*Infection Prevention and Control Canada (IPAC Canada) congratulates our chapter IPAC Southwestern Ontario on its 35<sup>th</sup> anniversary.*

*From the time of receiving its charter in 1981, IPAC Southwestern Ontario has been a vital, creative, energetic and expert source of support for ICPs. We commend you for the professional resource and networking opportunity that the Chapter provides.*

*Besides being a strong promoter of ICPs and Infection Prevention and Control initiatives in your area, the chapter has eagerly demonstrated its support of colleagues across Canada. The quality of the expertise of your members has often been recognized and so utilized by IPAC Canada on the Board of Directors, committees, interest groups, and special projects. The contributions of so many of your members exemplify the strong and empathetic characteristics of your chapter's spirit.*

*The Board of Directors of IPAC Canada congratulates IPAC Southwestern Ontario and its members on a 'job well done'. We wish you every continued success in the years to come.*

Sincere regards,

Suzanne Rhodenizer Rose RN BSc MHS CIC  
President
