

IPAC-SWO Education Committee Meeting
Nov. 6 2015

4.0 Planning for Next Year

4.1 Topics for webinar for winter webinar session and three education days

March teleconference/webinar

- Options discussed:
 - President of IPAC-Canada, Suzanne Rhodenizer or
 - Past President of IPAC-Canada, Bruce Gammage
 - Catherine to research them (Suzanne first) to learn what their specialities are and for them to speak to that
 - Immunizations: Emily Karas or Jill Fediurek PHO
 - Legionella/iGAS: Maurice Coppens

2nd Meeting, June 2016

- Antibiotic Stewardship: Dr. Michael John, LHSC
- Antibiotic Resistance: Dr. David Colby or ask Cathy Egan if she knows someone who can speak to this)
- Conference updates in AM (IPAC-Canada conference in May)

3rd Meeting, September 2016

- Hepatitis ABC (ABC's of Hepatitis): Cassandra Brubacher MLHU

Future Considerations

Need further discussion for September and December meetings. See what is prevalent at that time.

Need to discuss/plan regional conference for 2017

Education needs survey for topics in 2016
