Highlight 1: From care bundles to multimodal interventions

BY: **Didier Piffet MD MS CBE**

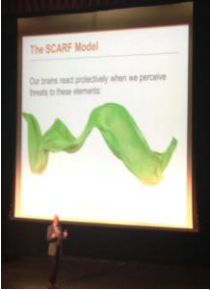

- For Infection prevention from Care bundles to multimodal interventions.
- Use of HH Dance videos to achieve better compliance.

Highlight 2: Don't let outbreaks become a break down

by: **Gregg Brown**

- Outbreaks are inevitable
- Enhanced measures help stop further Transmission
- We Had 3 VRE outbreaks but did not Break Down.

Highlight 3: IPAC Canada Mentorship Program

by: **MANDEEP MINHAS BSc BEH & JACQUELINE HLAGI RPN BPN CIPC.**

Phases of Mentoring

- Recognition and development
 - Trust
- Emerging independence phase
 - Advice
- Facilitative/Confrontative
 - Challenge
- Letting go phase
 - independence is achieved (~12 months)

Summary

- It was an excellent opportunity to interact with fellow ICP's.
- Learning in a relaxed atmosphere.
- Lunch Exhibits were "good to know what's in the market as well as Grab your Goodies moments."
- HOLD ON....**
